**AMEND Senate Bill No. 1748\***

**House Bill No. 1285**

by inserting the following as a new, appropriately designated subsection to precede Section 1, subsection (c) and by redesignating subsection (c) accordingly:

(\_) Notwithstanding anything in this section to the contrary, a restriction on an employed health care provider's right to practice his or her profession upon termination or conclusion of the employment relationship shall not be enforced against that health care provider if the health care provider has been employed by the employer for a period of four (4) or more consecutive years.
